

# INTERBORDERS

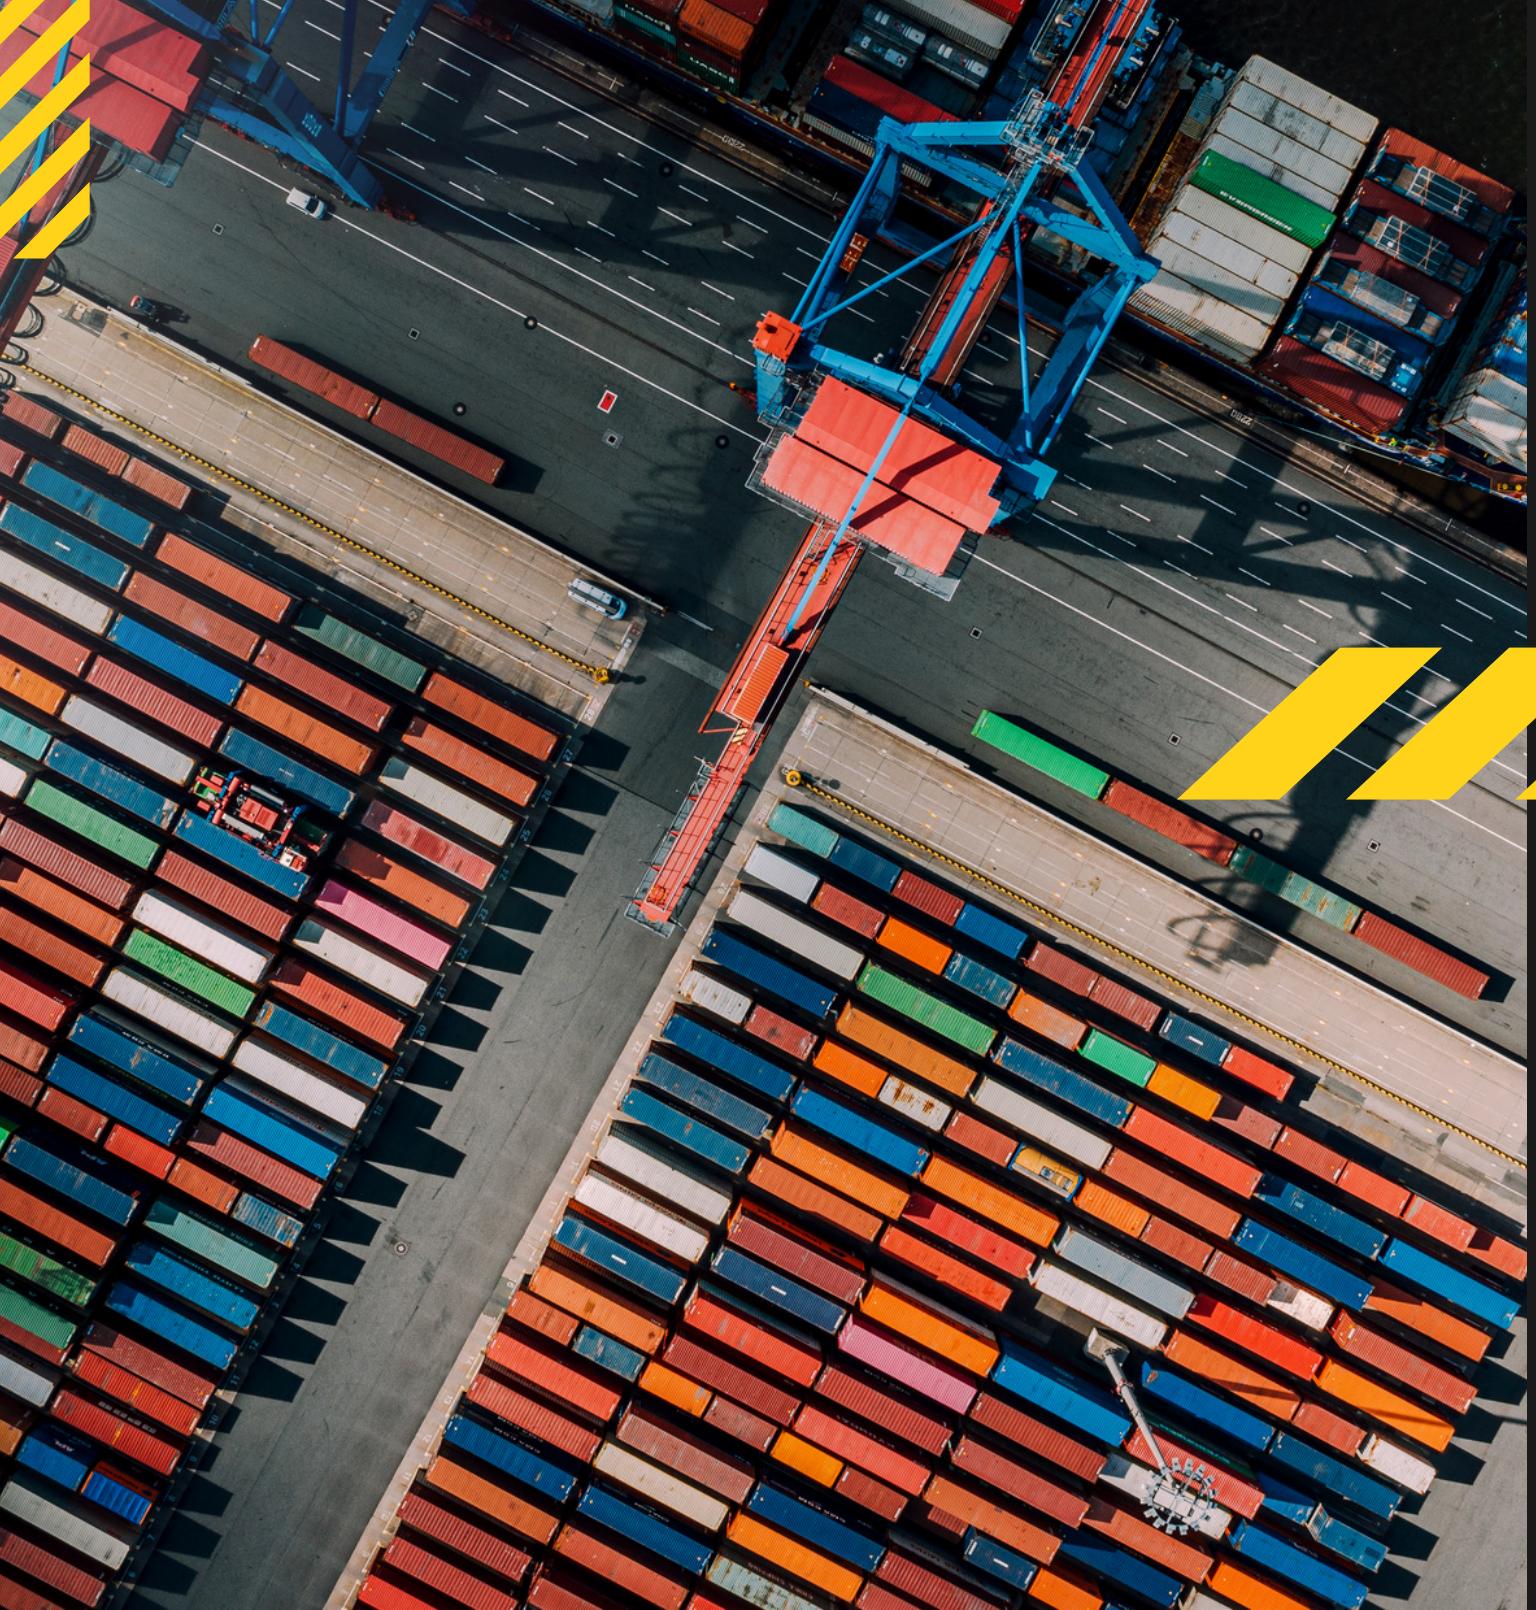

INTEGRAL LOGISTICS SOLUTIONS

# WE TRANSPORT SOLUTIONS

At Interborders we work every day looking for the best results for your company. As professionals in comprehensive logistics solutions, we provide the security that your organization needs for the transfer of merchandise, foreign trade or customs clearance, abiding by our high quality standards and offering the most competitive prices in the market.

We are a company that grows exponentially, whose foundations are personalized customer service, compliance and rapid response to our users.

# YOUR SUCCESS IS OURS

We transport solutions is our motto and we work every day to meet this goal.

We provide the best services in National Logistics and Foreign Trade and offer high quality services, fully committing ourselves during all stages of transportation.

We believe that the distribution chain must be in the hands of a reliable company that handles the loads as if they were their own, protecting them throughout the logistics process and strictly respecting delivery times and methods.

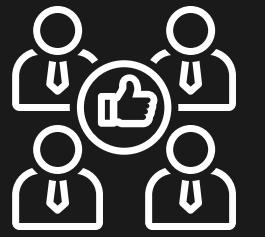

## Foreign Trade

We manage all types of cargo for import and export.

## National Logistics

We distribute general cargo and dangerous goods (IMO) to all parts of the country.

## Customs Study

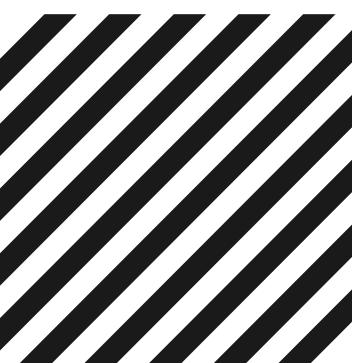

We are specialists in the correct classification of merchandise and its taxable value.

# OUR DIFFERENTIALS

- The Best Rates
- Immediate Responses
- Integral Service
- We keep you informed
- We operate all over the World
